From the Principal and Campus Coordinator

As we approach the final weeks of the College year it is good to encourage our students to continue to work well in class and in our broader programs.

Congratulations to Christina Kumar of Year 5 who has won the national ‘Write For Fun’ poetry competition in which there were over 12,500 entrants. Christina has been presented with some lovely gifts and the College has also received a $500 prize which will be used to purchase literacy resources. You will find Christina’s winning poem ‘Trees: Love letter’ in the following pages.

Last week Stage 3 (Years 5 and 6) attended their first camp at Wedderburn and experienced many new challenges such as abseiling, the giant dwing and team building activities. Students came away with a new sense of achievement and accomplishment and a more detailed report is contained in this edition of ‘The Life’.

Our 2014 programs move to the next level of Year 7. Mrs Naomi Wilkins our new Head of Campus is able to join us in the next couple of weeks and will have the opportunity to meet students and parents ahead of the new year.

Our numbers continue to grow and we are looking forward to building works across the vacation period and a major construction of Stage 2 from late Term 1. A new double sporting hard court complex will certainly add opportunities to expand our activities next year.

Let us remind you of the upcoming family service on Sunday, 24 November commencing at 4pm. This is an opportunity to join with other College families, give thanks for the year and contemplate the year ahead. We look forward to seeing you there.

Please know of our thanks for your ongoing support and encouragement of the College community.

“Let your gentleness be evident to all. Do not be anxious about anything, but in everything, by prayer and petition with thanksgiving, present your requests to God”. Philippians 4:5-6

In light of this, Oran Park Anglican College would like to make a donation to the Blue Mountains City Council Mayoral Relief Fund. We specifically think of those that may have lost loved ones and/or property in the fires as well as the communities that have been so tragically impacted.

We continue to pray for these communities and those that so bravely continue to fight the fires.

If you would like to contribute to our donation please drop your contribution in at the Office.

We will donate the funds on Friday, 22 November 2013.
In the Classroom with Mrs Grant and 5/6G

Students in 5/6G have been busy studying what makes Australia unique and discovering the contributions that many of our ancestors have brought to make Australia the country it is today. We have looked at different ways we communicate and how to create positive self esteem.

The highlight of our term has definitely been camp – it was a fantastic experience with lots of fun and laughter!

Y5/6 Camp

On Thursday, 7 and Friday, 8 November, Year 5 and 6 went to the Christian Campsite at Wedderburn for the first camp of Oran Park Anglican College’s camping program. Boomerang Adventures ran the camp and kept the students active from sunup to sundown! We chose an outdoor adventure for this year, which involved a variety of outdoor activities and camping overnight in two- and three-man tents. The students had a fabulous time, despite the heat, the flies and the noise of the cicadas. Here’s what they had to say:

Jackson L. – I enjoyed the giant swing because when we had freefall you could feel the breeze.

Angus – Abseiling was fun but a bit scary when you went over the edge at first. I kept going and was happy with myself that I kept going.

Jackson M – Something that I enjoyed at camp was the pool fighting because we could challenge ourselves against others but also play in the pool.

Casey – I enjoyed the giant swing because it was exhilarating and a chance to face your fears. I disliked the cicadas. They gave me a raging headache although they look really cool.

Jack – The best part of camp in my opinion was the giant swing. I had fun at abseiling. I disliked the cicadas – they were very annoying!

Emily – I loved pole wrestling (in the pool) because I was the queen of the pole and everyone liked the idea of the game.

Claudia – During camp I enjoyed archery. I enjoyed trying to get the arrow closest to the bullseye. Trying something new was fun.

Jonathon – Sleeping in tents was fun because we could tell scary stories to each other. I had fun taking pictures.

Baeley – The best part of camp was when I did archery – it was really fun. What I disliked was setting up the tiny tent for two – it kept flying away.

Christina – The best activity was the giant swing because you could go as high as you wanted to and could watch everyone trying to pull you up.

Justin – The best part of camp was sleeping in the tent because it was very quiet.

Matthew – At camp I enjoyed archery because I won many tournaments. A highlight was the giant swing because it was exciting when you went up high.

Luke – I liked abseiling because of the adrenalin rush. A highlight was the food – it was fresh and tasty.

Jordan – I had fun wrestling on the pole over the pool. I still can’t believe I was the king of the wrestling! It was a good experience.

Georgia – I loved the mini Olympics because the games we played were really fun and involved a lot of teamwork and patience.

Gabby – I really loved the giant swing that went over a cliff. It was the most awesome experience even though I didn’t go to the top.

Alex – I enjoyed playing fun games at night like ‘Spotlight’ and ‘Murder in the Dark’, but my favourite was ‘Stop and Go’ – I would get so close to the finish line and then get caught!

April – A game I did enjoy was ‘Spotlight’. We played it at night as it was getting dark. The people who were in used their torches to seek us out (so that we couldn’t reach the target).

K-6 Disco
Sport: Prep

Prep continue to develop foot eye coordination. Last week we enjoyed kicking the ball through a hoop with both feet. This was very challenging and after several attempts, most Prep students were able to achieve the goal (so was Mr. Beggs!) Prep also enjoy playing different types of games that help develop their foot eye coordination. Participation and involvement has been Excellent. It is obvious Prep students enjoy their sport each week!

Sport: Kindergarten - Year 2

K-2 students continue their love of swimming. The buzz and excitement every Thursday afternoon when the swimming bus arrives is absolutely electric. The development of this important skill is paramount and enjoying each lesson is an absolute bonus! It is wonderful to see the confidence in all K-2 students developing, from those that are at the early stages of swimming right through to those that are swimming at squad level. Participation has been high and so has the enjoyment!

Sport: Years 3 - 6

Congratulations to all students in Senior IPSSO teams for making the finals.

Permission notes are due back to the College Office for both Junior and Senior IPSSO students.

Shoes play such an important role in everyone’s lives. Can you imagine not owning a pair? Many people have nothing to keep their feet warm and clean. As a community, we can do our little bit to help those less fortunate than ourselves. These shoes will be distributed by Shoes for Planet Earth to people in need within Australia or even overseas.

1. Only **Running Shoes / Sneakers** (all sizes) are accepted. Please clean the shoes by hand with some soap and a scrubbing brush or in your washing machine, say 5 pairs at a time. Hang them on the line to dry (make sure they are completely dry before donating).

2. Please tie them together in matching pairs so we can find the other half amongst all the hundreds of shoes we have.

3. Ensure there are no holes and good soles. It is not worth shipping shoes to people if they are broken and are only going to last 2 months. We want to send shoes that will last a whole season.

4. We also need any spare inner soles and shoe laces as many shoes come without either. If your shoes are damaged, please donate the inner soles or laces for us instead. Tie laces together in pairs.

5. We have organised a range of locations where you can drop off as many pairs as you can spare, between Friday 1st November - Sunday 17th November 2013 during their regular business hours only.
