From the Principal and Head of Campus

The end of term is approaching and yet we are not slowing down!

This week we launched our partnership program with the Western Sydney Wanderers FC with a visit from coaches, players and our local MP, Mr Chris Patterson. Next term there will be both in-school and after-school programs to help students develop their football skills.

Our Year 7 students not only participated in the Cross Country Carnival - they used this event to also support Run4Bibles, an initiative of the Bible League who are aiming to plant 30,000 Bibles in South African schools. Every $5 raised gives a student in South Africa a Bible. Our end of term Mufti Day will also support this great cause which allows our students the opportunity to shine a light in spiritually dark places by gifting other students with the Word of God.

We also have a display at the Camden Show this weekend and a number of our Year 6 and 7 students will represent the College as we aim to promote the College amongst our community.

Next week we celebrate Easter with our Easter Hat Parade on Monday and a special Easter Assembly on Friday. Parents are invited to both events as we remember the sacrifice of Christ on the cross so we can be friends again with God.

We wish all our families a safe holiday break. Teaching staff will return to the College on Monday, 28 April for a program of professional development including a football clinic with the Sydney Wanderers. Students return on Tuesday, 29 April.

“The people living in darkness have seen a great light; on those living in the land of the shadow of death a light has dawned.” Matthew 4:16

2015 Prep Enrolments

Prep in 2015 is filling quickly. Sibling applications were due before January 31 to be given Priority. If you haven’t handed applications in for siblings, please do so immediately.

**Year 7 Home Work Study Centre**

The Senior School is progressing nicely and achieving some really pleasing results. The College has a strong interest in offering ‘above and beyond in education’ and is pleased to announce the commencement in Term 2 of a Homework Study Centre. This will operate after College and will be a place where Year 7 students can get further expert help and guidance in completing homework, assignment tasks and get additional tutoring in core subject areas.

The Home Study Centre will also provide an opportunity to further develop strategies within students which will assist to promote positive study and revision techniques. The Centre will offer students an additional safe, supportive and caring learning environment.
Year 7 Self Portraits

In Visual Arts, Year 7 made self-portraits using their iPads earlier this term. They began this task by taking a photograph of themselves with the camera in their iPads. Students then created a felt tip pen drawing by referring to their photograph. They photographed this drawing and digitally painted it on their iPads using a stylus. Check out the amazing results!

Harmony Day

Everyone Belongs

Thank you so much to those parents and family members who contributed to our Harmony Day celebrations on Friday, 21 March. Students enjoyed the variety of presentations that parents and grandparents shared with them. Some great highlights were food tasting, discovering family histories and famous landmarks.

To complete the day Kindergarten Red’s Harmony Day Assembly with the very fitting theme song of ‘Hello to all the Children of the World’ shared the appropriate message that Everyone Belongs.

**Y6 NSW Parliament House Visit**

On Friday, 21 March 2014, Year 6 went to the State Parliament House. We went by train - the trip took about 45 minutes to get to St James station. Once we got off the train we walked for 5 minutes and reached the entry. We had to put our excursion bags through a thermal imaging machine and then walk through a metal detector.

Inside, we met Chris Patterson who took us on a tour through the building. After the tour we went into the theatrette with six or seven other schools from the Camden area. Mr Patterson told us what he does in Parliament. He is the local member for Camden and he told us a few other things about leadership and responsibility. We had a surprise guest who was Mr Barry O’Farrell, the Premier. We had a photo with Mr O’Farrell and Mr Patterson and then moved out for morning tea.

We socialised with students from other schools and after about 15 minutes of drinking orange juice and eating cupcakes we went to the Lower house, aka the Green Room. We were told a bit about its history and then we did a role play on a bill. A bill is a new rule that is created to improve society.

We then visited the Upper House, where the bills from the Lower House have to come to be passed as well. After learning about the Upper House we said goodbye to Mr Patterson, had lunch in Hyde Park and caught the train home again. I really enjoyed the day because we met some cool people. We learned about Parliament and leadership and had fun in the park having lunch!

The College will be a part of the Active After-school Communities (AASC) program in Term 2.

Mrs Blake will be coordinating the program which will run for 7 weeks.

A permission note has been emailed to parents. If you did not receive a permission note, please contact the College Office.

An outside coach will be provided and a staff member will be assisting.

Wanderers have Kicked Off at Oran Park!

On Thursday 3 April the Western Sydney Wanderers kicked off their partnership with the College in style. Students from K-2 participated in a sample session of the SIS program that they will be involved in next term.

Students were delighted to have Brett Emerton representing the Football Federation of Australia and Mateo Poljak, a current Wanderers player, who signed jerseys, footballs and even boots! Student and staff alike are excited about what next term holds in store for our new football program.

We would like to thank Mr Chris Patterson, State member for Parliament, Mr Whelan, Mr Brett Emerton and of course, the Western Sydney Wanderers, for making the afternoon such a special one.
ABOUT THE PROGRAM
This program is hosted by Oran Park Anglican College and is open to both boys and girls from age 5 to 13. It is led by highly qualified and experienced Skills Coaches. This program will also be supported by specifically trained staff within the College.

Y7 Cross Country

The Senior School Cross Country Carnival was scheduled for Friday, 28 March at Thomas Hassall Anglican College. However, due to rain, it was postponed.

The rescheduled date was for Tuesday, 1 April (some students thought this was an April Fool’s joke…but it wasn’t.. yes, I expected them all to run!!!). The sun was shining and our spirits were high. When we arrived at Thomas Hassall Anglican College, we headed for the oval to ‘check out’ the course…. ‘Are you sure that’s a 1km track? It looks like 2!!!’; ‘If the course is 1k and I’m running 3k, how many laps do I run?’ (yes, I THINK that was a serious question…). As the students warmed up, nerves were starting to come to the forefront! But once each student headed off on the course, you could see their determination!!

The participation, determination and spirit of the Oran Park Anglican College students was remarkable. For a small year of 21 students we had 6 students in the top 10 (out of 90 or so for each age group!) Well done to every Year 7 student for your active participation and representation of our College! Let’s continue this excellent sporting achievement into the year ahead.

Our students were not only running the Cross Country. I encouraged each student to participate in Run for Bibles. This is a Bible Society initiative to get bibles into Africa. For $5, one student can be discipled and given a Bible. Thus, I encouraged all students to raise money for children in Africa to given them an opportunity of hearing God’s word (something which we can take for granted in Australia). The final monies raised will be recorded in a later ‘The Life’.

Congratulations to all students who ran in the College Cross Country and who will later represent us at the future NASSA carnival. Results are listed below:

Senior Cross Country Carnival
Live Life Well @ School

Now that the holidays are nearly here, it’s a great opportunity for you and your family to spend some time together in the outdoors.

Children and adults need physical activity every day. Activity helps build better bones, muscles, joints and helps maintain a healthy weight. Physical activity can also reduce the risk of heart disease, type 2 diabetes and some cancers. Get active anyway you can - walking, riding, swimming, and playing active games such as Duck, Duck, Goose or Bull Rush. Whatever it is that you enjoy do it as a family!

Great reasons to be active for children and parents

✓ Boosts confidence
✓ Improves fitness
✓ Makes bones and muscles stronger
✓ Improves posture
✓ Helps maintain a healthy weight
✓ Lowers the risk of heart disease
✓ Reduces stress
✓ Improves sleep
✓ Reduces the risk of cancer
✓ Improves self confidence
✓ Teachers you new skills
✓ Develops better motor skills
✓ Makes a person happier with their body
✓ Lower risk of disease including heart disease and cancer later in life.
Lamb Skewers with Vegetable Couscous and Yogurt Drizzle

Serves 4

Ingredients

1 cup Australian reduced-fat natural yoghurt
1/4 cup chopped fresh herbs (hives, parsley, basil, coriander)
1/2 clove garlic, crushed
400g lean lamb sirloin/backstrap steak, cut into 2.5 cm cubes
12 bamboo skewers, soaked in water and drained
Olive oil spray

Vegetable Couscous

1/2 teaspoon olive oil
300g pumpkin, peeled and finely chopped
2 small red onions, finely chopped
1 small red capsicum, finely chopped
1 cup couscous
375ml boiling reduced salt vegetable stock
1 cup coriander leaves (or parsley), roughly chopped

Method

Step 1  Combine yogurt, herbs and garlic.

Step 2  Thread lamb cubes onto bamboo skewers and coat in half the herbed yogurt. Refrigerate until required.

Step 3  Heat oil in a non-stick saucepan, add chopped vegetables and cook until softened. Add couscous and stock. Turn off heat, cover and stand for 5 minutes or until all liquid has been absorbed. Lightly fluff with a fork and stir in coriander. Cook lamb on a lightly oiled, preheated BBQ or grill plate until done to your liking. Remove, cover and allow to rest for 3-5 minutes.

Step 4  For serving, divide couscous between serving plates and top with lamb skewers and a dollop of reserved herbed yogurt.
Be an active family!

Children’s Activator

Children love to be active. Making physical activity a part of their daily routine is not only fun, but also healthy.

Physical activity is important for healthy growth and development. Encouraging children to be active when they are young also sets up a routine that could stay with them throughout their life.

Did you know?

Children should be physically active for at least 60 minutes a day and spend no more than two hours a day surfing the net, watching TV or playing video games.

There are loads of fun ways that they can be active, whether it’s at school during lunch, recess or class time, or outside of school with family and friends.

Want to see some of the many fun ways that young people can be active? Well, sit down with your child or children (remember not to sit for too long!), follow the instructions below and make your own special be active Activator. It shows heaps of great ideas to get you started!

Instructions

What you need:
A sheet of cardboard, some scissors, glue and a split pin.

1) Stick this page to some cardboard with glue.
2) Use some scissors and carefully cut out around each circle.
3) Lay the three layers of your pinboard in the order indicated below, with a split pin through the centre.
4) Turn the dial and be active!

From the Parents’ & Friends’ Association

Last Saturday (29.03.14) the P&F held their first Bunnings BBQ for the year. It was a great success as we raised just over $1600 for the College. I would like to thank all who volunteered their time to help organise and work on the day. I would also like to thank Melanie Alden for taking on the coordinator role and congratulate her on a successful day.

I would like to sincerely thank Carolyn Pisciuneri and her family for their generous donation to the P&F for the BBQ.

Coming Up
The P&F are seeking volunteers to help out at the Annual OPAC Fair / Open Day.

If you are available to help on Saturday, 24 May for a couple of hours between 9 am and 3 pm please contact the P&F. It is sure to be an exciting day with Food, Market Stalls and Amusements for all to enjoy. I encourage all families to attend.

On the day the P&F require volunteers to help set up and pack up as well as assist with the cake stall, canteen/BBQ and silent auction. This is a great way to get involved and help the P&F build community within the College. Any assistance offered is greatly appreciated by the P&F and will help make this day a big success.

The P&F will also be asking for kind donations of cakes, slices and biscuits from parents for the cake stall. Further information will be provided over the coming weeks.

Not only is The Fair / Open Day an excellent opportunity for the P&F to continue raising funds for and build community within the College, it is also an invaluable opportunity for the College to showcase itself to the wider community.

You can contact the P&F at any time via email pandf@opac.nsw.edu.au if you have any event queries, fundraising ideas or are willing to volunteer at an event.

Other Events in May
The Mothers’ Day Stall will be trading on Wednesday, 7 May and the Mothers’ Day Breakfast will be held Friday, 9 May. The College requires the assistance of “Dads” to run the BBQ on the day of the Breakfast from 7.00 am. You can notify your availability through the P&F email or through Mrs Lynch at the Office.

The next P&F Meeting will be held Thursday, 1 May in the College Staffroom from 7 pm. All are welcome to attend. We’d love to see you there.

Kind Regards,
Matthew Saliba
