

Aon's Student Accident Protection Plan Platinum +

This information relates to an insurance plan that the school has in place to provide financial benefits to students and their family in the event of accidental injury. The cover is for 24 hours a day/ seven days a week¹.

Aon's Student Accident Protection Plan is an insurance arrangement that pays benefits for specific scenarios and incidents that may occur, such as quadriplegia and broken bones. It also offers additional benefits such as:

- Covering a child's tuition for four terms in the event of their parent or guardian's accidental death,
- Financial support for tutoring, should a student be absent from school for a prolonged period, and
- Providing clothing, hospitalisation and other out-of-pocket expenses that relate to an accident.

This sheet outlines the benefits paid as a result of accidents that may occur, it tells you how to make a claim should your child be injured and provides some explanation around additional benefits you may be entitled to, as well as what is not covered.

Over and above providing a quality education, your school is protecting your child's quality of life.

1. Other than Non-Medicare Medical Expenses and Psychological trauma counselling which are limited to school or organised sporting activities only.

Medicare medical expenses

Student Accident policies and other types of general insurance are not permitted by law to cover medical expenses that fall under Medicare nor the difference between the actual expense incurred and the Medicare rebate (commonly known as the 'Medicare Gap').

Medical expenses that do not fall under Medicare are likely to be claimable. Please see the first page of the Claim Form under 'Claims Procedure' for more information.

Should an accident occur, how do I make a claim?

While your first priority is your family, this Plan provides you the reassurance that other matters, such as the financial implications, are not an added burden. Should the need arise to make a claim you should:

- Complete the School Student Accident Claim Form and have the school's principal or registrar complete the bottom section
- Have a doctor complete the Medical Practitioner's Statement, then
- Send both forms to the addresses shown on the forms.

Should you have questions while the claim is being reviewed, your school can provide you a contact at Aon.

Please be aware that this sheet is written expressly for parents and guardians of students enrolled and attending our school. Insurance policies are complex legal contracts and this information is only intended as a ready reference to parents. If you would like more information, the school can provide you with a copy of our policy or alternatively, give you the name of a person at Aon who you can call.
