

# Service Changes

FROM SUNDAY 30 NOVEMBER

School bus timetables are changing, affecting many school routes across the region.

In addition, there are some changes to school routes that include changes to route numbers and route paths. These changes are detailed below.

We encourage you to check the new timetables for your school on our website: <https://nsw.transitsystems.com.au/schools> to confirm any changes to your journey.

You can also visit <https://transportnsw.info/> to view updated timetables and maps, and to plan your trip – even if your routes aren't listed in this document. Be sure to change the date in the options (to 1 December or later), and if using the Trip Planner, click "refine" and add "school bus" to ensure dedicated school services appear as a travel option.
